Farmers Big Meeting

Saturday the courthouse was packed with a large crowd of dirt farmers, bankers and business men interested in the organization of the Co operative Marketing Association of tobacco growers. President J. T. Cole presided and director C. W. Wingfield made an address in which the progress of the association was presented to the meeting. The meeting was addressed by many of our local business men and both banks and both warehouses practically assured the association that the facilities for handling and marketing the tobacco crop would be taken care of at Appomattox.

Mr. Jeter Ligon, of the Pamplin market spoke for the co operation of his town and its facilities. A resolution encouraging a curtailment of the crop to not more than 12,000 hills to the man was passed.

Arrangements were made for a drive for membership in an effort to make 100 per cent for the association. An appeal was made to the farmers for a local organization at each school house in the county.

The meeting was harmonious and showed enthusiam for the association.

Children of Buckingham

Cisco, Texas, April 4th, 1922.

At a prayer meeting for rain to break up the drouth was one T. E. Johnson, a native of Buckingham county, son of a Baptist preacher. "Uncle Tom" is now 76 years of age and and of Cisco's most respective citizens. Both he and his wife live here and most of their family of eleven children.

"Uncle Tom" was with Jackson's Corps and at the surrender at Appomattox.

He has four half brothers and the same number of half sisters in Virginia all alive when he last heard from them Says "Lord willing I will go to Richmond to the Reunion of Confederates".

Buckingham

Few people ever saw vegetation further advanced on the 15th of April, few people can remember when the middle of April came with as few thunder storms as we have had this spring.

Men are asking me why their takes have been so materially increased. Well, we have built roads that have to be paid for, we have splendid schools that must be paid for. The tax rate in Buckingham is $2.10 on the $100. What is the rate in Appomattox?

Dr. Lacy preached in a private home near Mantoe on last Friday and during the hour when he was holding services there was a rain storm raging and the gas lights had to be lighted so that he could see.

The death of George W. Eldridge which occurred at his home last week removes from our midst a very handsome man, a man far above the average in intelligence and one who had varied experience in life. Mr. Eldridge was only ill a short time, he was attended by Dr. G. L. Morris and a specialist in throat diseases was summoned from Lynchburg also.

At the post offices now the government is selling bonds, you can get a hundred dollar bond or four twenty-five dollar bonds for $80 that is these bonds bear interest at the rate of 5%. Some banks are now paying 4 per cent interest on time deposits but most banks are only paying 3 per cent and the taxes are $2 on the $100 which only leaves the depositor $28 in interest on the $1000. I have a mighty pretty bond issued by the Confederate government I want to sell to some relic hunter. I also have a coin that is 100 years old for sale. I have a lot of gold, silver and brass that I can't get an offer for.

There was a meeting held at Dillwyn Saturday to see about the locating of a colored training school.

Lawson Moore came to spend the holiday with his brother, Arthur Moore, at the home of Mr. and Mrs. P. P. Glover; these people are surely good and kind to the orphans they have in charge.

Miss Eliza Haskins went last week to visit her sister, Mrs N. A. McKay, at Tunstall's, New Kent county.

Mr. J. H. Fitzgerald has been quite unwell at the home of brother, Mr. F. E. Fitzgerald

Mr. Crouch who lives at the old Bondurant place has purchased a car load of fertilizer and was hauling it from Manteo last week.

Mrs. James Kyle is seeking information about the Dibrells, Jones, Walker and kindred families, her address is 1106 Federal St., Lynchburg, Va.

Master Thomas Eldridge while tusseling with one of his school mates got one of his arms broken, he was at the home of Mr. and Mrs. John G Glover when the accident occurred and they promptly took him to Dr. Tucker who set the broken arm.

Mrs R. B. Hudgins has a nice baby boy.

Mr W. Lee Patteson continues very feeble at his home

Citizens are applying for loans on their land to pay out expenses on their farms.

We have fish caught with the silver hook and pleasure seekers are trying to catch them with hook and line, but they don't seem to bag many.

Remember the examinations of teachers to be held here on the 28th and 29th of April.

It is truly interesting to see the changes brought about by the paying of pension money to the parents of boys who died or were killed in the World Wide War. From abject poverty some families are having the spending of $77 50 a month and they spend it too.

Phenix

Dr. Chalmers, wife and children returned Sunday from Texas, where they spent the winter with her mother.

Mr. W. T. Cocks has been sick for the last week.

Mr. Walter Berkley made a flying trip to Norfolk last week where he was summonsed to court.

Mr. Hunter Pentecost and Mrs. J. T. Foster and grandson, Elwood Cocks, visited Mr. W. T. Cocks last week end.

Mr. Johnny St. John had the misfortune to have one of his mules drop dead at the plow Monday morning.

Mr. L. P. Wingfield spent several days in Lynchburg last week having his engine repaired that blew up while he was drilling a well near Gladys.

Charlotte Courthouse beat Phenix playing ball here Saturday by a large score, but one of our boys said "We have another set of rollers for them."

The Methodist parsonage is completed at last and Rev. Mr. Kilber moved last week.

Evergreen

Rev. Watson preached a fine sermon here Sunday night to a large attendance. Mr. Pippen preached a fine Easter sermon Sunday a. m. He is a fine preacher and loved by all denominations.

Miss Annie Morris, of Lynchburg, spent Easter with Miss Madlian Lee also Misses Lillie Harvey and Beatrice Inge.

Mr. Buck Inge, of Philadelphia, spent Easter with his parents here.

Mr. Jessie Staples spent Easter with his parents here.

We are sorry to hear that Mrs. C. S. McDearmon continues very ill in Richmond hospital.

We are glad to hear that Mrs Charlie Evans will be home in a few days from Lynchburg, where she underwent a slight operation.

Miss Louise Ransom, of Lynchburg, Miss Medons, of Roanoke, and Miss Inez Goin, of Appomattox, spent Easter with Miss Louise Inge.

Mr. Hector Cawthon and bride, of Roanoke, spent Easter with his mother here. Heck waited a long time but he captured a pretty little bride at last.

Hurry boys or all the pretty girls will be gone.

Mrs. Bettie Cawthon is visiting her daughter, Mrs. W. S. Farrar at Church Roads this week.

The Supper given here Saturday night by the Ladies Aid was quite a success everyone seemed to enjoy the cream as it was the first that had been on sale this spring.

Misses Ora Harvey and Lucile Moses spent Easter with Mrs. J. E. Wooldrige here.

Mrs. Chap Harvey was the week-end guest of mother, Mrs W. B. Thomas here.

Mrs. Alma Farrar, of Pamplin, spent Easter with home people here.

Mr. Alex Chenault, of Lynchburg, motored down Sunday in his new car and spent the day with his father here.

Mrs. Charlie Warren, of Roanoke, spent Easter with friends here.

Mr. C. T. Evans motored to Lynchburg Sunday to see his wife.

Auction Sale.

I will sell at public aution, at 10 o'clock A M., SATURDAY, April 29, on the farm of the late James H. Logan, E q., near Howardsville, Va , all the livestock, consisting of horses, colts, cattle and hogs, with which the farm is stocked, together with Ford truck, tractor, and a line of implements adequate for running every department of a large farm.

MARY E LOGAN, Admx.
Estate of James H. Logan
Howardsville, Va.

COMMISSIONER'S OFFICE,
Appomattox, Va., April 17, 1922

Edward D Johnson. ....Plaintiff
against
Jane Johnson and Others.....Defendants

You are hereby notified that I have fixed upon Friday, the 19th day of May, 1922, at 10 a m, as the time and at my office at Appomattox C H, as the place, for taking the several accounts in the above styled suit, ordered by the decree therein of the April term, 1922, to-wit:

First An account of the rents and profits and by what persons due

Second What liens effect this property and in what proportion the same should be paid, including the costs of this suit, exclusive of the attorneys fees.

Any other matters deemed pertinent by the commissioner or any of the parties in interest

Given under my hand this the year and date above written

C W SMITH,
4-19 Commissioner in Chancery.

IN the Clerk's Office of the Circuit Court of the County of Appomattox, on the 11th day of April 1922.

W T Oakes and W C Morgan, partners under the firm name of W T Oakes & Co., O J Webb and G S Thomas.....Plaintiffs,
against
John W Miller and Ida Miller, his wife and J T Cole, Trustee.....Defendants.

The object of this suit is to obtain a rebate of $841.98, for shortage of acreage of 13.59 acres of land in a tract of 163¾ acres in Appomattox Co. Va., near or at Evergreen, purchased by the Complaintants from the Defendants, the said John W Miller and Ida Miller, his wife.

And an affidavit having been made and filed that the defendants, John W Miller and Ida Miller, his wife are not resident of the State of Virginia it is ordered that they do appear here within ten days after due publication hereof, and do what may be necessary to protect their interest in this suit. And it is further ordered that a copy hereof be published once a week for four successive weeks in the Times-Virginian, a newspaper published in the county of Appomattox, and that a copy be posted at the front door of the Court-house of the County on or before the 17th day of April 1922, that being the next succeeding Rule day after this order was entered.

A Copy—Teste:
C W SMITH
Clerk.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Ford

THE UNIVERSAL CAR

The Ford Motor Company, Detroit, has just made public a list of recent IMPROVEMENTS in the mechanical features of Ford cars.

Asserting that Ford cars are better today than they ever have been before, the statement adds that fuel consumption is lower; the engine is even more efficient than formerly; improvements in the springs and steering apparatus insure easier riding and driving qualities; a new headlamp lens, which complies with all state laws, improves the road light; and that many other minor betterments have been made.

Ford pistons and connecting rods have been re-designed and are matched for weight before assembling into motors. This reduces vibration and gives the motor a quicker pick up. The new pistons weigh three quarters of a pound less than those formerly used. A highly polished crank shaft bearing surface also reduces wear and, added to the piston and connecting rod improvements, insures a smoother running and better balanced motor. The material used in the Ford crankshaft and the care and precision in its manufacture make it second to none.

The new Ford carburetor gives increased acceleration, though not radically different from the carburetor previously used, the new construction improves the all around performance of the motor, giving it a quicker pick up and a greater flexibility of action.

The wiring system has been completely re designed, and while it costs more to install than the old system is most efficient, proof of which is evidenced by the fact that it affords a fire insurance rate as low as the higher priced cars on the market.

Many other changes have been made: A 16" steering wheel is now standard equipment; Timken roller bearings are used in the front wheels; one-piece pressed steel running-board brackets insure body rigidity and eliminate vibration and body noises; a dash weather-trough prevents rain from reaching coil terminals or dash wiring; the steering mechanism has also been improved; and the tools supplied to purchasers of Ford cars have also been improved in quality. Another important improvement in the truck chassis is the adoption of cord tires as standard equipment on the rear wheels.

The change made some time ago in the seating arrangement of the Touring Car has met with widespread approval. By lowering the seats and altering the seat backs, greater comfort was added.

It is pointed out that retail sales of a million cars and trucks yearly, and the consumption of raw and finished products at a cost of approximately one million dollars a day makes it possible to sell Fords at their present low prices and at the same time produce a car of exceptionally high quality.

Our Merchants!

The growth and development of any community depend to a large extent upon the character and progressiveness of its merchants.

A city chooses its merchants, for only those whom the people patronize can afford to remain in business. The man who does not "play fair" will, sooner or later, be found out and forced to quit. The honest merchant who knows his business and sticks to it is bound to succeed.

This community is fortunate in having its mercantile business in the hands of high class men. No finer body of business men can be found anywhere in the world than those with whom our people have the privilege of dealing daily.

THE BEGINNING OF A BANK-NOTE

Little Marcia's baby dress though made of the finest linen was ultimately worn threadbare. One day it landed in the rag bag and was sold to the junk dealer. When the rag sorter touched the discarded garment he detected in a flash the fine quality of the flax and set it aside for a journey to the Bureau of Engraving and Printing at Washington. Eventually it became legal tender—a bank-note. Just how is told in one of the beautiful booklets about Our Government which we are sending each month to those interested.

Just send us your name and address and you will receive a copy of every issue of the series without charge.
